

# Henna Tattoos

With Amanda Roberge

Wednesday, July 28th, 5-7 PM

Henna tattoos, also known as Mehndi, are temporary tattoos made from the powdered leaves of the henna plant. Amanda will tattoo each participant and will also have extra bottles of henna on hand (heh) so you can learn and practice your own designs!

Your tattoo will last 2-4 weeks.

**People in Grades 5-12 welcome!**
